

RAPID RE-SCORE™

Its fast...Its easy...and it re-calculates credit scores within 72 hours!

This new technology eliminates the traditional, 30-day waiting period for credit bureaus to correct or update information to your borrowers credit files... Permanently!!!

RAPID RE-SCORE™ is bureau direct. This means you can have re-calculated scores in a matter of hours! RAPID RE-SCORE™ is backed by the industry's best customer service and support... so you'll always be able to take advantage of quick rate changes.

REQUIREMENTS ... Documents containing corrections or deletions must be typed on company letterhead with the consumer's name, account number, the contact name of the person making the correction and the contact phone number. The correction must be clear and explicit. Experian will not delete any collection accounts simply because they are paid. They require a letter stating it was an error or that it is being returned to the original creditor.
